IMPACT FLIP paper pad

5pcs DE

- IMPACT FLIP is a comprehensive framework that provides a structured and predefined process for companies and organizations to delve deep into sustainability issues
- By using IMPACT FLIP, companies and organizations can enhance and broaden their CSR efforts, develop areas of action and specific measures, foster a sustainable mindset among employees and encourage productive collaboration for a greater cause
- The user-friendly workshop framework is based on the 17 UN Sustainable Development Goals (SDGs)
- Following the innovative method of Sustainable Thinking, IMPACT FLIP guides you through the entire analysis, thinking and discussion process
- IMPACT FLIP is a compact and easy-to-transport flipchart paper pad that can be used anytime and anywhere
- The entire process is presented in a colourful design that is easy to understand and encourages participants to engage deeply with both global and local sustainability challenges to generate new ideas in a playful and creative way
- IMPACT FLIP is best suited for small groups of up to 5 people and is a great tool for corporate training, workshops and educational programs
