DATA SHEET

- The perfect do it yourself framework for Design Thinking
- Framework language: German
- This product is made of material from well managed, FSC®-certified forests and other controlled sources (FSC C158462)

THINK FLIP paper pad

5pcs DE

- THINK FLIP presents your all-inclusive Design Thinking framework in the form of a convenient flipchart paper pad
- Discover the potential of Design Thinking! This user-friendly, structured framework allows you to go through the innovation process step-by-step. Alternatively, you can customise the sequence of this process to suit your own path to innovative solutions
- THINK offers you the perfect basis for finding creative solutions together as a team, by developing solutions to problems or teaching the basics of Design Thinking in a new, interactive way. By using the THINK framework, you can run through innovation processes in the shortest possible time and promote productive collaboration
- With THINK, we offer your organisation a structured framework that facilitates the seamless adoption of this innovative approach. THINK FLIP ensures easy access to essential supporting materials, expediting the integration process and enabling the rapid cultivation of value creation for your end-users or customers within your organisation
- THINK FLIP is easy to carry with you, usable anywhere and is recommended for groups of up to 5 people
- The flexible format makes it perfect to distribute to break-out groups when working with a larger audience
