DATASHEET

Highlights

- The safety cap protects against accidental spraying
- No cap, therefore easy to use with one hand
- Intense and eye-catching colour which is visible on almost all surfaces
- High-quality brand product

edding 8870 deep hole spray marker

50mm neon green 1pc blister DE

- Chalk spray with patented pump mechanism for non permanent marking in hard to reach places, on almost all materials
- The individually shaped nozzle of the chalk spray allows marking through drill holes up to 50 mm depth and 3-13 mm in diameter
- Can be used from any angle and height, even overhead
- The non-permanent chalk is easy to wipe off from closed surfaces for quick corrections
