EVOLVE PRO touch monitor

EVP-7500 EU

- Our EVOLVE PRO series offers best in class specifications combined with our most user friendly software to date
- Displaynote Montage offers a secure and trusted sharing application. Gynzy teaching tools are making teachers more effective and their lessons more fun and interactive, while our integrated MDM system will put the minds of system administrators and AV installers at ease
- Google's EDLA certification not only ensures full access to all the applications in the Playstore, it also guarantees frequent safety patches and updates
- The octa-core chipset and upgradable Android version combined with 8GB of RAM makes EVOLVE PRO a future proof choice
- EVOLVE PRO comes with a free MDM system and enhanced customer service facilities based on Xyte. This integration will allow better and faster deployment, service and maintenance and will offer users system metrics and monitoring. This will ensure better up-time scores, faster trouble shooting and fewer truck rolls
